

Natural Learners

a Nature Based School

WHAT TO BRING

A little preparation helps our days run smoothly so children can focus on exploring, learning, and growing in nature!

If not already submitted on Brightwheel, please bring all completed forms (Enrollment Forms & Billing) and an up to date immunization record.
Your child(ren) cannot attend until all forms have been submitted.

CLOTHING

Please send at least 2–3 full sets of seasonally appropriate clothing with your child's name on each item.

WET BAGS

Bring at least 2 wet bags to travel to and from school for any soiled items. Please label with your child's name.

DRESS FOR THE WEATHER

We spend lots of time outdoors! Please dress your child(ren) for the season. See suggestions to the right.

REST TIME

NL provides all rest/naping materials. If your child needs a love from home, please leave only one at school.

PACIFIERS

Pacifiers may be used at nap time if needed. They are not to be attached to anything. Permission is required.

INDOOR SHOES

Indoor shoes are required for all children (infants must have socks on). Please remove outdoor shoes upon arrival and leave outdoor shoes at the cubbies. Indoor shoes should stay at school and be updated as feet grow!

Please send enough empty bottles (depending on what your child drinks) for the day. We will wash and sanitize daily.

Infants (6–12 months) may bring meals for the day in a labeled insulated lunch box with two ice packs. Use a thermos for warm foods. We're happy to puree fresh fruits & veggies—just let us know what your child has tried!
